

Committee on University Honors and Awards Preliminary Report on Inventory of Faculty Awards

Chair: Norma Jean Mattei, Dept of Civil and Environmental Engineering

The Committee on University Honors met on March 12, 2009. John Barnitz, NJ Mattei, Atsuyuki Naka, Jeanne Pavy, Martha Ward, and guest Ed Johnson present. Further information was gathered by the committee, using communication via email.

Charge:

The committee is to perform an inventory of UNO awards for faculty achievement currently given by the university, colleges, departments, centers, institutes, or other associations, and compare the award structure to that of comparable institutions to the extent possible. The committee should also review procedures for UNO faculty awards at the university level, and make recommendations, as necessary, for any changes in procedures and/or additional awards.

Timetable: Draft report by April 28th Senate meeting.

Faculty Awards List:

This preliminary report is a compilation of faculty awards given at the University of New Orleans to university faculty by the university, alumni association, colleges and some departments. This list is not exhaustive and the list changes from year to year. There has been a steady decrease in the number of faculty awards. Several awards have been removed from the list as they no longer are awarded due to budgetary issues in recent years. Many faculty awards do not come with a stipend or financial award. A comparison of faculty awards at UNO and those given by other institutions similar to UNO will be part of the forthcoming full report of this committee at a later date.
